S.D.A. Pest Control
"Long Acre"
Bluntisham Road
Needingworth
Cambs
PE27 4TA

Dear Steve,

I would like to thank you for the efficient and effective service you have provided to our company in it's present and past buildings over the past 10+ years. The effectiveness of your service can only be demonstrated by the complete freedom we have had from rodents and pests over this time although both factories have been adjacent to open land.

It is a pleasure to see your cheerful self every month, and I am certain you would soon be on our doorstep if we ever requested a quick pest control under any circumstances.

I look forward to many more years in association with SDA and have no hesitation in recommending you to anyone requiring pest control.

Best regards

David Neaves
Engineering Services Manager.
